

INSURANCE COMPANIES:

- Reduce loss adjustment expense
- Reduce cycle time
- Better accuracy with indemnity payments
- Contents Specialist is cleaning/repairing vs. full replacement
- Increased customer satisfaction

CLAIMS EFFICIENCIES:

- Single call, 24/7 response
- Dedicated claims representative
- Preventing contents manipulation through collaboration with all involved parties
- Client, contractors & adjusters connected throughout claim process

CLAIM PROCESS IMPROVEMENTS:

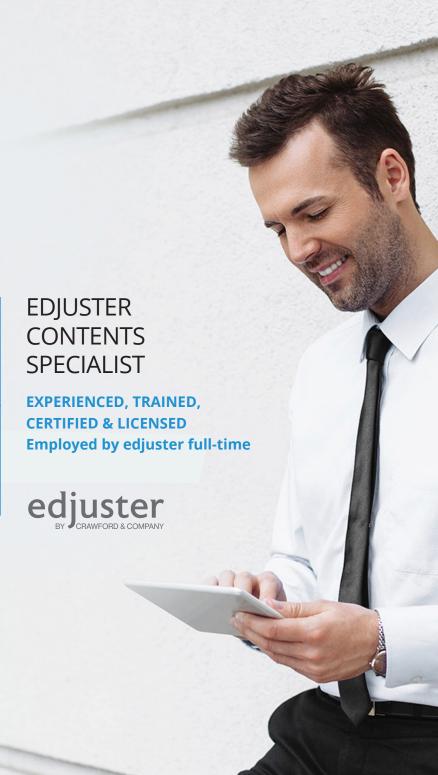

- Restorable vs. Non-restorable
- Better communication with all parties
- Technology-enabled services
- Performance Excellence Guarantee (PEG)
